

# FET Phase Grade 10–Grade 12

*Shaping Future Leaders for a Changing World.*

The FET Phase at Lion Pride Academy prepares learners for academic success, future careers, entrepreneurship and life beyond school through strong academics, leadership development, innovation and real-world learning. Guided by Christian values and a future-focused approach, learners are empowered to think independently, lead confidently and make meaningful contributions to society.

## Academic Excellence

The FET Phase at Lion Pride Academy is focused on academic achievement, critical thinking, and future readiness. Learners are guided and supported through a structured curriculum that prepares them for tertiary education, entrepreneurship, and the modern workplace.

*Our academic approach encourages learners to:*

- Think critically and solve complex problems
- Develop independence and accountability
- Strengthen communication and leadership skills
- Collaborate effectively with others
- Apply learning to real-world situations
- Prepare confidently for future studies and careers

# Sports & Culture

We believe holistic development is essential in raising confident and capable young adults. Learners are encouraged to participate in sporting, cultural and leadership activities that promote discipline, resilience, teamwork and self-confidence.

## *Activities Include:*

- Athletics and team sports
- Leadership programmes
- Drama and creative arts
- Public speaking and debating
- Community outreach initiatives
- Entrepreneurial and innovation projects
