Our Learning Approach

At Lion Pride Academy, we believe the early years build the foundation for lifelong success. Our approach combines academics with creativity, movement, emotional development and play-based learning to develop independent thinkers, confident communicators and a lifelong love for learning.

Our Foundation Phase programme focuses on:

- Literacy and language development
- Numeracy and mathematical thinking
- Creativity and self-expression
- Social and emotional growth
- Coding and Robotics exposure
- Physical development and movement
- Water safety included in Learn to Swim
- Confidence and communication skills

Sports & Culture

We believe every child should discover their talents and build confidence beyond the classroom through sports and cultural activities that encourage teamwork, creativity, discipline and self-esteem.

Activities Include:

- Mini sports programmes
- Creative arts
- Athletics development
- Learn-to-Swim
- Music and movement
- Dramatic arts
- Mindfulness and social development programmes
