Academic Development

Lion Pride Academy provides a structured and engaging Senior Phase curriculum that prepares learners for the FET Phase and beyond. Our educators focus on creating a learning environment where learners are challenged, supported, and inspired to achieve their full potential.

We encourage learners to:

- Think critically and independently
- Develop responsibility and self-discipline
- Strengthen analytical and problem-solving skills
- Build communication and leadership abilities
- Prepare for future careers and tertiary education

Sports & Culture

We believe balanced learners become successful leaders. Our High School learners are encouraged to participate in sport, culture, leadership and community activities that build confidence, resilience, discipline and teamwork.

Activities Include:

- Team sports
- Athletics
- Leadership programmes
- Public speaking
- Drama and creative arts
- Cultural activities
- Community initiatives
- Entrepreneurship
